

DIANA OH

GRAPHIC DESIGNER

I am an experienced graphic designer seeking a full-time or part-time position in the field of web development concentrating on Wordpress and E-commerce (e.g. Shopify), where I can apply my knowledge and skills for continuous improvement.

SKILLS

- Software: Photoshop, Illustrator & Canva
- Web: Shopify, Wordpress, HTML 5/CSS
- Form: Mailchimp, & Jotform templates
- Bilingual: Korean & English

EDUCATION

GRAPHIC DESIGN

Bachelor of Fine Arts

Rhode Island School of Island, RI | 2006 - 2010

WEB DESIGN

C.E. Course in Web Development

School of Visual Arts, NY | Summer 2010

EXPERIENCE

E-COMMERCE & CREATIVE CONTENT SPECIALIST

Totowa Airsoft / Iceberg Army Navy | 2013-Present

Totowa, NJ

- Managed all company media needs related to web, e-mail, and form designs on Shopify e-commerce, Mailchimp, Jotform, and WordPress.
- Responsible for smooth back-end software operations ensuring quick troubleshooting related to website timeouts, basic SQL and DNS hosting issues, and additional troubleshooting needs related to the Web.
- Additional Shopify work support includes import and export of company inventory, creation of Metafield and Metadata to support front-end operations and perform platform updates.
- Additional work support involved retail floor customer service assisting in sales and safety instructions on Airsoft. (2013 ~2015)

EXPERIENCE CON'T

GRAPHIC DESIGNER

Clonix, LTD | 2011-2013

Suwon, South Korea

- Responsible for creating prints and digital media catered to Korean and international clients.
- Additional work support included UX and UI design for ongoing projects
- Participated in company-wide software partition tests in partnership with Samsung
- Traveled to the Cebit IT Exhibition sponsored in Hamburg Germany to promote Clonix's Hard-drive Duplicator and Data Recoverer.
